Gen. 6:1-8 the end of last week's Parsha informs us that the sons of Elohim (Angels who left their places in heaven and came down to earth, also known as Nephilim (fallen ones)) took daughter of men as their wives and produced giants, which we know as Rephaim. We also find that the Nephilim had relationship with animals and created hybrids half human and half animal, which is where the Greek mythical gods come from. These are not gods but offspring of the Nephilim. We further need to understand that demonic spirits or unclean spirits as scripture sometimes refers to them as are the disembodied spirits of the Rephaim. They are not Nephilim, fallen angels.

When a Rephaim dies its spirit has nowhere to go, due to that it was not created by Elohim, nor is it created in the image of Elohim, therefore no place has been prepared for the soul of the Rephaim to go to. Thus, it goes into the barren place, until it finds a body which it can dwell within, as they seduce humanity and enter them. We see many accounts of Messiah casting out unclean spirits/demons out of people while on earth. Yet at the appointed time when Messiah returns He will deal with these unclean spirits and put an end to them. I encourage you to read the book of Enoch if you have not already to understand more about this. I cannot stress the importance of understanding this subject, as these entities will be released in greater numbers upon the earth as part of the judgment YHVH brings upon it, when He removes His hand of protection and blessing. During the time of Jacobs Trouble, we will witness a full-frontal attack upon humanity, more specifically the people of YHVH by the demonic hordes of HaSatan. Yet, let us not be overcome by

fear, because YHVH is with us, His word states that He will defend us and protect us during this time. All we must do is make Him our refuge and our fortress and submit to Him and His leading. Furthermore, we have already been issued with the spiritual weapons which are able to defeat the forces of darkness, what we must do is look through the eyes of faith and not flesh. For if we look through the eyes of flesh we will be overcome with fear, but through the eyes of faith we will be overcomers. For we are more than overcome through Yeshua our Messiah.

Friends, I encourage you to seek to know how to use the spiritual weapons YHVH has given us. Do not rely on others and their gifts, at this time we all need to know our place in the kingdom and the gifts Yah has given us and how to use them. Seek, pray and fast and draw near to YHVH and ask Him to show you your gifts and how to use them. Remember though, Yah will put you into situations to use them, it is always on the job training.

As a consequence of the actions of the Nephilim YHVH states that ***Adonai said, "My Spirit will not live in human beings forever, for they too are flesh; therefore, their life span is to be 120 years."*** (Gen. 6:3). Now, we know that no one today lives to this age, but during the time of Noah this was young, but what is YHVH telling us? What is the mystery contained within this text? The answer is found within Leviticus 25 and the instructions for the year of jubilee.

"Count off seven sabbath years—seven times seven years—so that the seven sabbath years amount to a period of forty-nine years. ⁹ Then have the trumpet sounded everywhere on the tenth day of the seventh month; on the Day of Atonement sound the trumpet throughout your land. ¹⁰ Consecrate the fiftieth year and proclaim liberty throughout the land to all its inhabitants. It shall be a jubilee for you; each of you is to return to your family property and to your own clan. ¹¹ The fiftieth year shall be a jubilee for you; do not sow and do not reap what grows of itself or harvest the untended vines. ¹² For it is a jubilee and is to be holy for you; eat only what is taken directly from the fields. Lev. 25:8-12

If we take 120 years and multiply it by the years of jubilee, 120 x 50 gives us 6,000 which is the time period man has until YHVH deals with sin, until Messiah returns. Within Gen 6:3 and Lev. 25: 8-12 we find the meaning to this mystery of man's age. Thus, we can now see just as YHVH has already revealed within the days of creation, that man will have six days or six millenniums until the Shabbat, the Day of YHVH, which ushers in the Sabbath for creation. Therefore, what we see in this mystery does not detract from what we already see within creation but, it further reinforces it, as we build line upon line, precept upon precept.

I encourage you to look at the instructions pertaining to the jubilee as this is what Messiah will do when He returns. As He will bring back the exiles, the captives back to the land as He brings restoration, remember the price for all debt to be cancelled has been paid for by His death and resurrection.

Gen 6:9-8:22 within these passages we see how YHVH instructs Noah to build an ark for his family and the animals, as a place of safety during a period of judgement. What we must understand is that this passage is not supporting a rapture event, as Noah, his family and the animal all went through the flood. YHVH did not take them out of it, but preserved them through it. This is also how YHVH will preserve those who are listening during the time of Jacob's Trouble. What we further see is that Yah is not just saving humanity, but all of creation. Thus, what is one of the things we see take place in scripture as part of repentance? It is the mikvah, or baptism as the church refers to it. Therefore, if YHVH sent His son, Yeshua to die to save all of creation, then creation requires a Mikvah. Thus, what

we see in the act of the flood was the cleansing of sin from the earth, from creation, it was not a response by a vengeful Elohim, but rather it was a compassionate and gracious act in YHVH's redemption plan for creation. The Flood was the Mikvah for creation, I encourage you to study the flood through this aspect and see what Yah reveals.

One of the requirements of the flood, was to wash away sin, and to stop the complete corruption of humanities DNA by the Nephilim. Yet, what we must understand is that YHVH has always required His people to live a life set apart, Holy unto Him, which the way we do this is through keeping His word. We are not to let the culture of the world infiltrate our culture, which our culture is that of Messiah and the Kingdom of YHVH. John 15:18-20 states ***"If the world hates you, you know that it hated Me before it hated you. ¹⁹ If you were of the world, the world would love its own. Yet because you are not of the world, but I chose you out of the world, therefore the world hates you. ²⁰ Remember the word that I said to you, 'A servant is not greater than his master.' If they persecuted Me, they will also persecute you. If they kept My word, they will keep yours also.***

Friends, the world will hate us if we seek to live a life in accordance with the word of YHVH, that as we take on the culture of the kingdom of YHVH, the world will not like the light which is within us and will thus seek to extinguish the light. Let us not be disturbed because the world hates us, rather let us rejoice and continue to do the good work Yah has ordained for us, as we show the truth within this dark world through grace and love. Let us not compromise the truth of the word of YHVH but let us stand firm and hold fast to what has been given to us.

Friends the tactics and lies of the enemy have never changed, what we are seeing today within transhumanism and AI development is exactly what was taking place during the period prior to the flood. That of the splicing of human DNA with non-human entities and revealing to mankind all kinds of mysteries. This is also what is taking place today, have you ever thought about who is giving our scientists the technology to do what they are doing.. I also encourage you to watch this brief clip [JASON A](#) it will assist you in understanding this. Friends we have rumours of wars and wars, nations splitting and coming against one another. We have famine and pestilence but worse is yet to come, but what Jason A brings forth in this video is further proof of the times we are living in. Reference to technology being given by entities see [clip by Paul Hellyer](#) former minister of defence Canada, I do not agree with regards to these being aliens but Nephilim and Raphaim.

We also see in this parsha the Tower of Babel Gen 11:1-9 yet, what was this? I have always asked why would YHVH get upset with man building a large tower, as this would never be able to reach Him in the heavens. We have large towers today and Yah has not judged them, so what was different about this tower? The reality of the matter is most Christians have forgotten that we are in a supernatural spiritual war, and that angels and demons exist. Friends, what was being created within the tower of Babel was not a high tower but the means to get the Nephilim back to heaven. It was a portal similar to that of CERN. It was because of this that Yah confused the languages and judged humanity. Friends, it is crucial that as believers we understand this, not to become fixated with it but, to be aware and then to press on with proclaiming the Gospel of the Kingdom and preparing for the return of our King, Yeshua the Messiah.

Friends, what we see in this parsha is the attempt by the Nephilim to corrupt the DNA of man, to create something which is not in the image of Elohim but in a corrupted image, something which can never be saved. The reality is that we are living in the time of Noah which Messiah warned us about, a time which would exist prior to His return. We are at a junction in world history today when our very existence is being targeted by a Satanic confederacy which operates through the anti-christ system of the one world order. A system which seeks to corrupt humanities DNA in an attempt to

stop Messiah from returning and taking His throne upon the earth in Zion. The lies of HaSatan can be heard loud and clear, “you can be like the Most High and live forever” yet, the reality is, if we accept such upgrades in our evolution as it is being termed then you will no longer have the ability to be saved. As you are no longer created in the image of Elohim, but rather the serpent, and thus you would have become part of the synagogue of HaSatan. The technological advances are argued to be a DNA upgrade, the next step in humanities evaluation, but the reality is, it is a lie from the serpent of old, who seeks to destroy the image of Elohim.

We will in the days ahead witness things which will unsettle us, but let us remain resolute keep our eyes fixed upon Messiah, ensuring that we know how to use the spiritual weapons we have and the name of YHVH. Incidentally I encourage you to look at the work by N Gordan [here is a link which it starst at 30 mins by N Gordan](#) website for [Nehemia Gordan](#). On one of the videos I watched I heard of an account that people put the name of YHVH on their homes prior to the hurricanes which hit America, which it is no shock that their homes never got damaged as YHVH protected them.

Here is a picture of what Nehemiah Gordan has found within ancient texts as the Name of YHVH. It is this people have put on their homes and gain protection. For the NAME of the LORD is a strong tower.

Let, us continue in the faith as we seek to understand our Elohim, our Creator in a deeper way, so that we can bring Honour to His name.

Shabbat Shalom

Nathan
